

The Skill-Pics Project

Skill-Pics promotes the development of essential skills to thrive in the 21st century world. It proposes the development of three intellectual outputs, which are all currently underway or close to finalisation.

IO1. Compendium of Interactive Infographic Transversal Skills Resources

IO2. In-service Training Programme

IO3. Skill-Pics MOOC

Compendium of Interactive Infographics

The Skill-Pics Compendium of Interactive Infographics will soon be online in 7 languages: English, German, Czech, Croatian, Spanish, Greek, and Portuguese. Each interactive infographic is comprised of an explainer video, a digital breakout, a Webquest and a quiz, and addresses a key transversal skill...
